WCRC CREDITS - TSC CREDITS - GEEKSPACE CREDITS

An inter-competition during the pandemic which is associated with the regular World Cansat/Rocketry Championship.

You don't have to be an antenna expert to be a winner. Just send us your best Ground Station design and collected data, and we'll evaluate it according to the competition rules. Even if you don't become a winner, you will become part of the Intercontinental Aerospace Command (ICAS Command). We can accept only one entry per person or per team (of a maximum of 3 persons), so choose your category wisely.

COMPETITION CATEGORIES:

CAT I - NOAA/METEOR

CAT II - CUBESAT TELEMETRY

LAST DATE TO APPLY AUG 10

APPLY @ WWW.WCRC.WORLD/GSC-APPLY
